# Train-the-Trainer Program

Shiftboard recognizes that successfully completing your implementation with minimal disruption to your business is the key to achieving a rapid return on investment.

Our Train-the-Trainer program accelerates the rollout and adoption of our scheduling solution. With full access to our LMS and project management from our seasoned Customer Success team, your managers and employees will have the tools they need to learn and master SchedulePro.

Get the guidance and functionality needed to create training leaders! Your program participants will be prepared to:

- Develop a strategy for rolling out a successful SchedulePro training program.
- Adapt provided course content to meet your ROI goals.
- Define, explain, and train users to execute common workforce management tasks within SchedulePro.
- Evaluate learners and training program effectiveness with quizzes and tests.
